SCALE A GIORNO E A CHIOTTA  
SPIRAL STAIRS AND OPEN STAIRCASES

## IL DESIGN È L'ANIMA DI UNA CREAZIONE

**IN-LUX** è un'azienda che ti offre la sua esperienza nel settore delle scale d'arredamento interno ed esterno, con i suoi punti di forza come la semplicità, la trasparenza e la qualità dei prodotti.

L'accurata lavorazione artigianale unita alla tecnologia d'avanguardia e all'utilizzo di materie prime di elevata qualità permettono a **IN-LUX** di soddisfare al meglio le esigenze dei propri clienti offrendo scale personalizzate con design esclusivi per ogni tipo di ambiente.

Nel corso degli anni l'azienda ha maturato esperienza sia a livello nazionale sia a livello internazionale raggiungendo un importante approvazione da parte della propria clientela, questo è motivo di soddisfazione e stimolo a migliorarsi per ottenere obiettivi più importanti.

Le scale vengono realizzate con l'utilizzo di materiali diversi come acciaio, legno, vetro, acciaio inox e altri particolari con lavorazioni a taglio laser per raggiungere le forme e i design desiderati. Le nostre realizzazioni sono concepite per integrarsi perfettamente nell'architettura d'interni: una capacità tecnica ed artigianale tutta "italiana". Significa fondere l'amore per il dettaglio e le esigenze strutturali, per soddisfare i desideri particolari di finiture speciali, uniche.

## DESIGN IS THE SOUL OF A CREATION

**IN-LUX** is a well established company that offers its long time experience in the field of designer interior and external staircase. **IN-LUX** strength is composed by semplicity, transparency and high quality of products. The accurate and meticulous handcratf production, together with high leading technology and high quality raw materials, make sure that **IN-LUX** always satisfies customer needs in the best possible way, offering customized staircases featured with exclusive design suitable for all different environments.

Throughout the years, the company has matured a strong National and International experience, meeting high customers approval, satisfaction which has been motivating us to better ourself in order to reach more important goals.

Our staircases are realized with different materials such as steel, various types of wood, glass, inox steel and more details laser cutted to allow us to have several and desired shapes and draws.

All our projects are realized to fully integrate with interior design: our technical and handcraft skills are typical of the "made in Italy". It is to say we melt love and attention to detail and structural needs to satisfy all request for special and unique finishings.

Tutti i prodotti e i loro elementi sono marchiati e certificati CE

All our products and their components are marked and certified CE

## **INDICE/INDEX**

### **Scale a giorno**

*Open Staircases*

- 4 Strauss Glass
- 7 Strauss Elicoidale
- 8 Strauss C
- 10 Strauss F
- 12 Mozart Glass
- 14 Mozart F
- 15 Mozart Iron
- 16 Mozart Monolama F
- 17 Mozart Monolama Glass
- 18 Mozart Exclusive Glass
- 19 Vivaldi
- 20 Bach Glass
- 21 Bach F
- 22 Bach Autoportante F
- 23 Bach Autoportante Led
- 24 Bach Autoportante C / Bach Marinara
- 25 Chopin F / Chopin C

### **Scale a chiocciola**

*Spiral Stairs*

- 27 Einstein / Giotto Metal
- 28 Tintoretto INOX F
- 29 Gottuso C / Gottuso F
- 30 Rossini
- 31 Tintoretto CLS C / Tintoretto CLS F
- 32 Giotto Glass
- 33 Giotto Wood

### **Rivestimenti**

*Covering*

- 34 Rivestimenti / Coverings

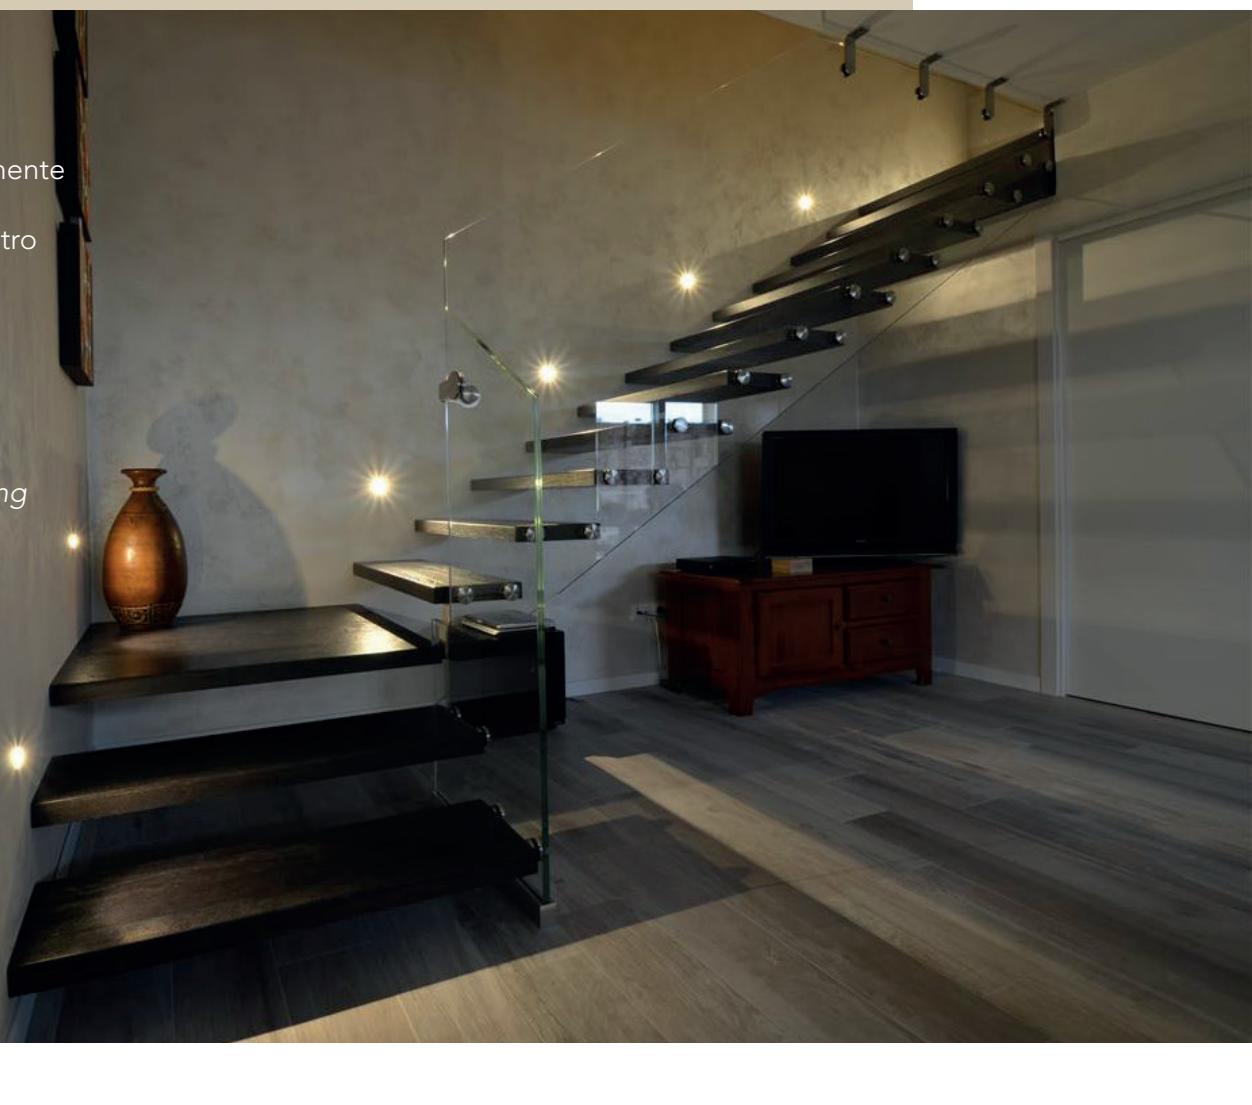

### **Ringhiere**

*Railings*

- 35 Ringhiere / Railings

Scala a sbalzo  
con gradini  
fissati direttamente  
a muro e  
ringhiera in vetro

Cantilever  
staircase  
with steps  
fixed directly  
to the wall  
and glass railing

Scala a sbalzo  
con gradini da 60 mm  
fissati direttamente  
al muro  
e ringhiera in vetro

Cantilever staircase  
with steps 60 mm  
fixed directly to the wall  
and glass railing

Scala a sbalzo con gradini da 60 / 80 mm fissati direttamente al muro e ringhiera in vetro.  
Possibilità di inserimento luci led sotto.

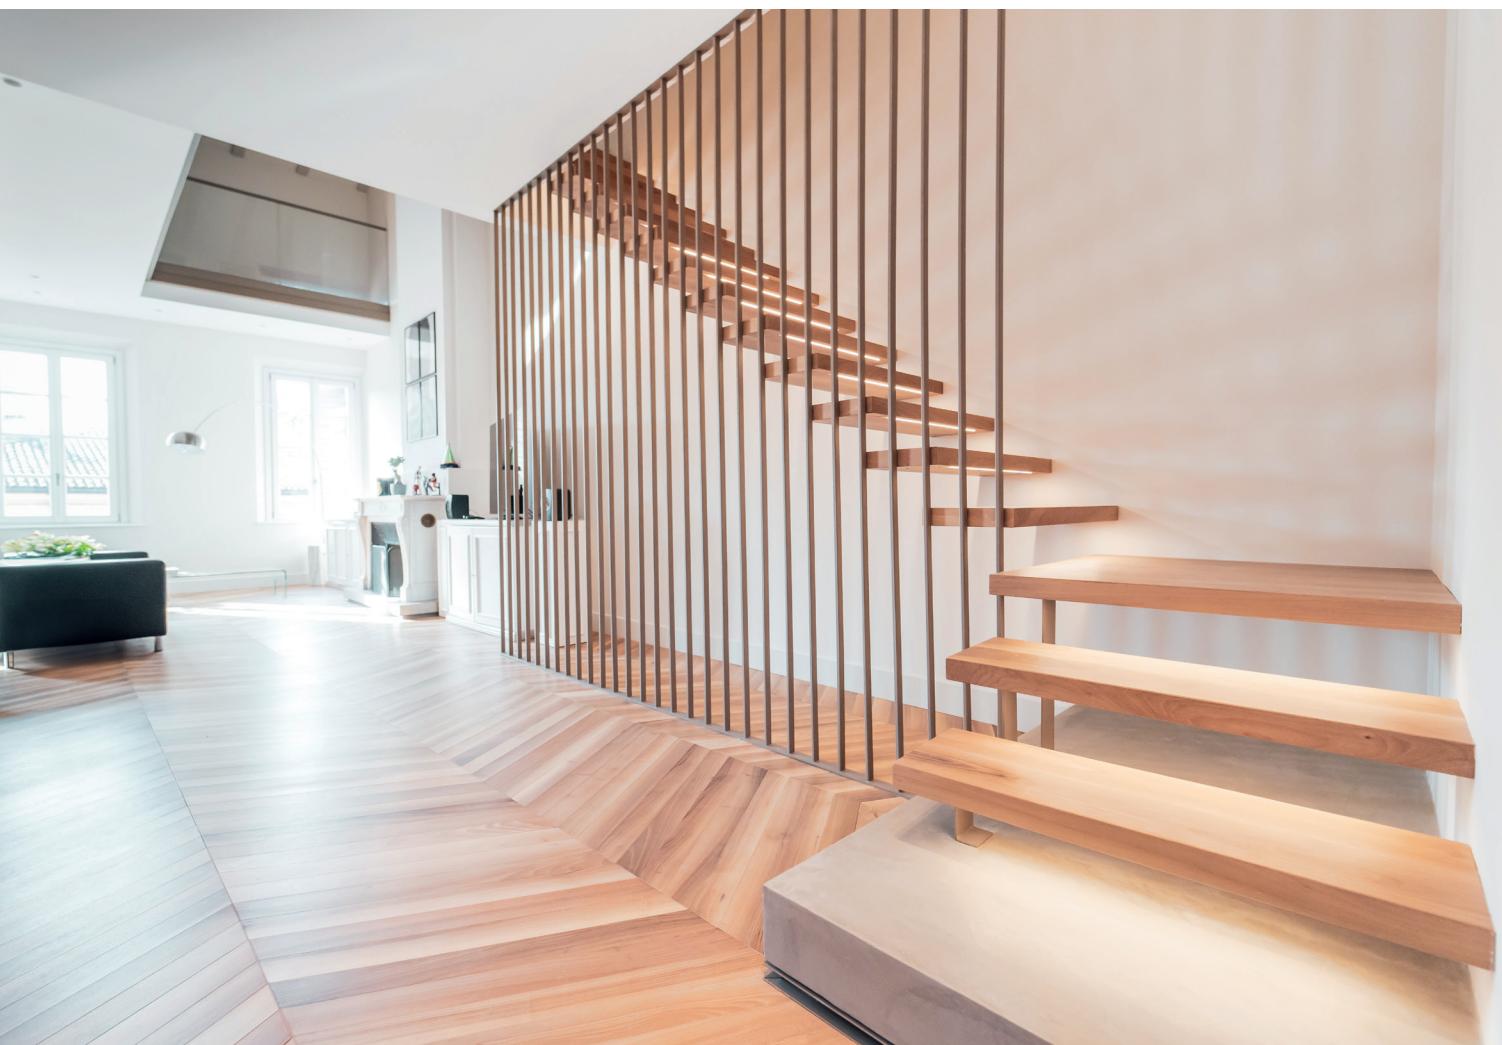

Cantilever staircases with steps 60/80 mm fixed directly to the wall and glass railing.  
Possibility of led lights under the steps.

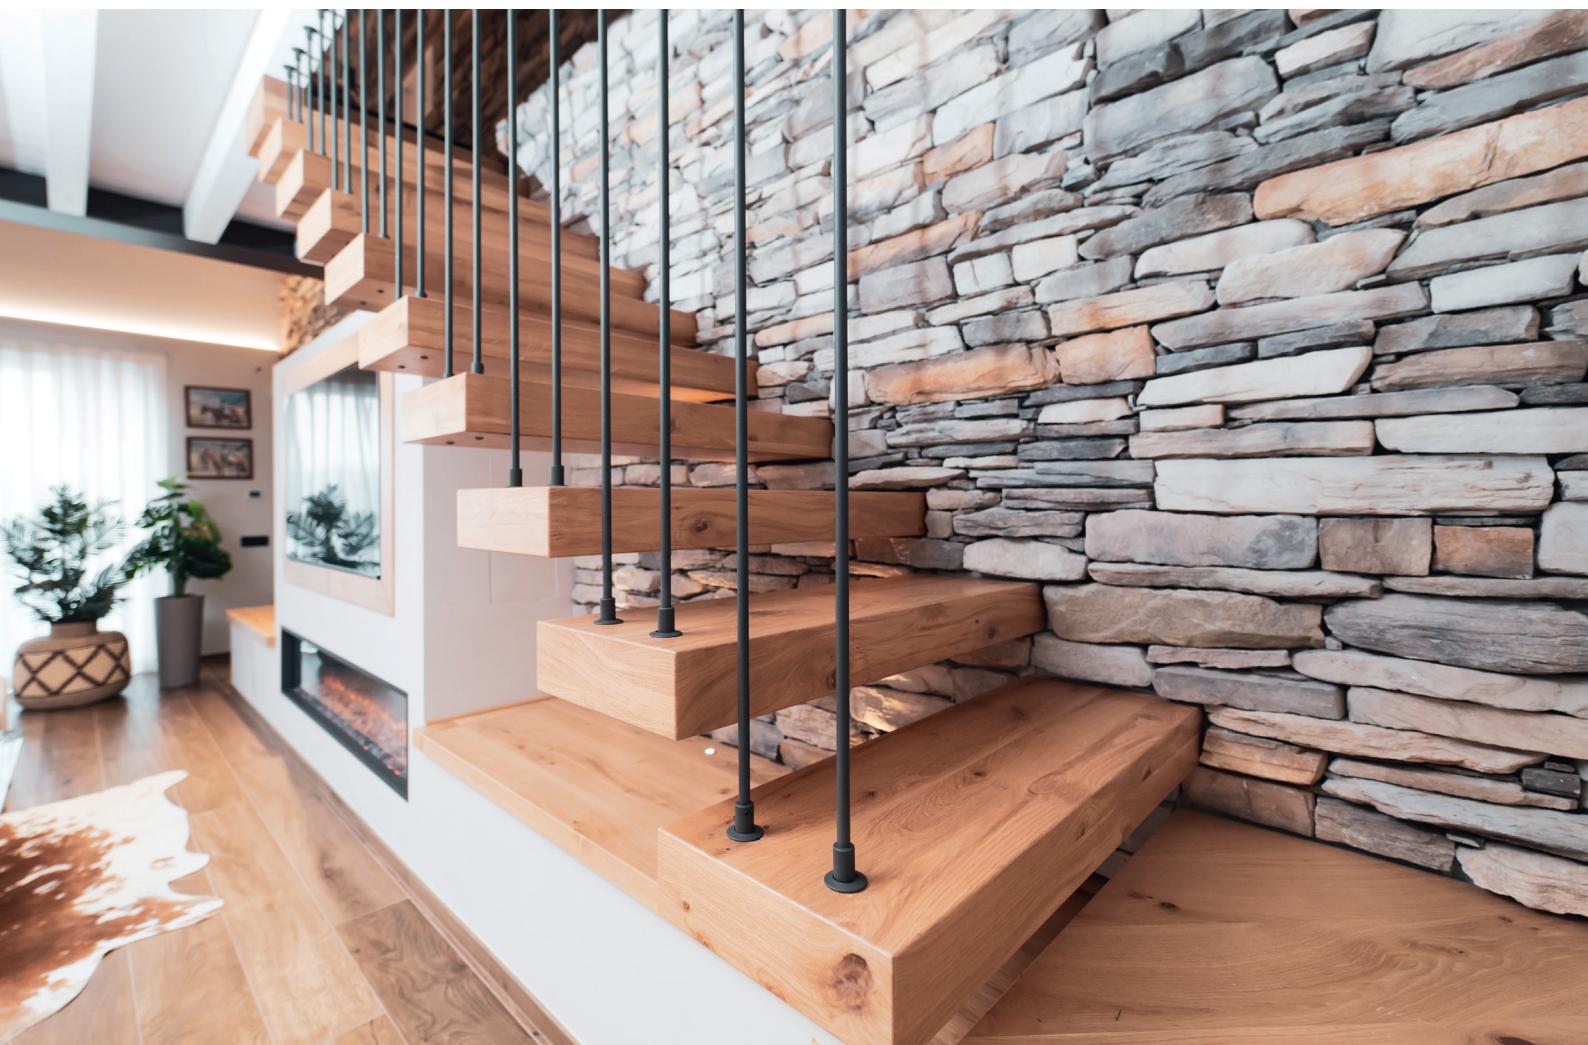

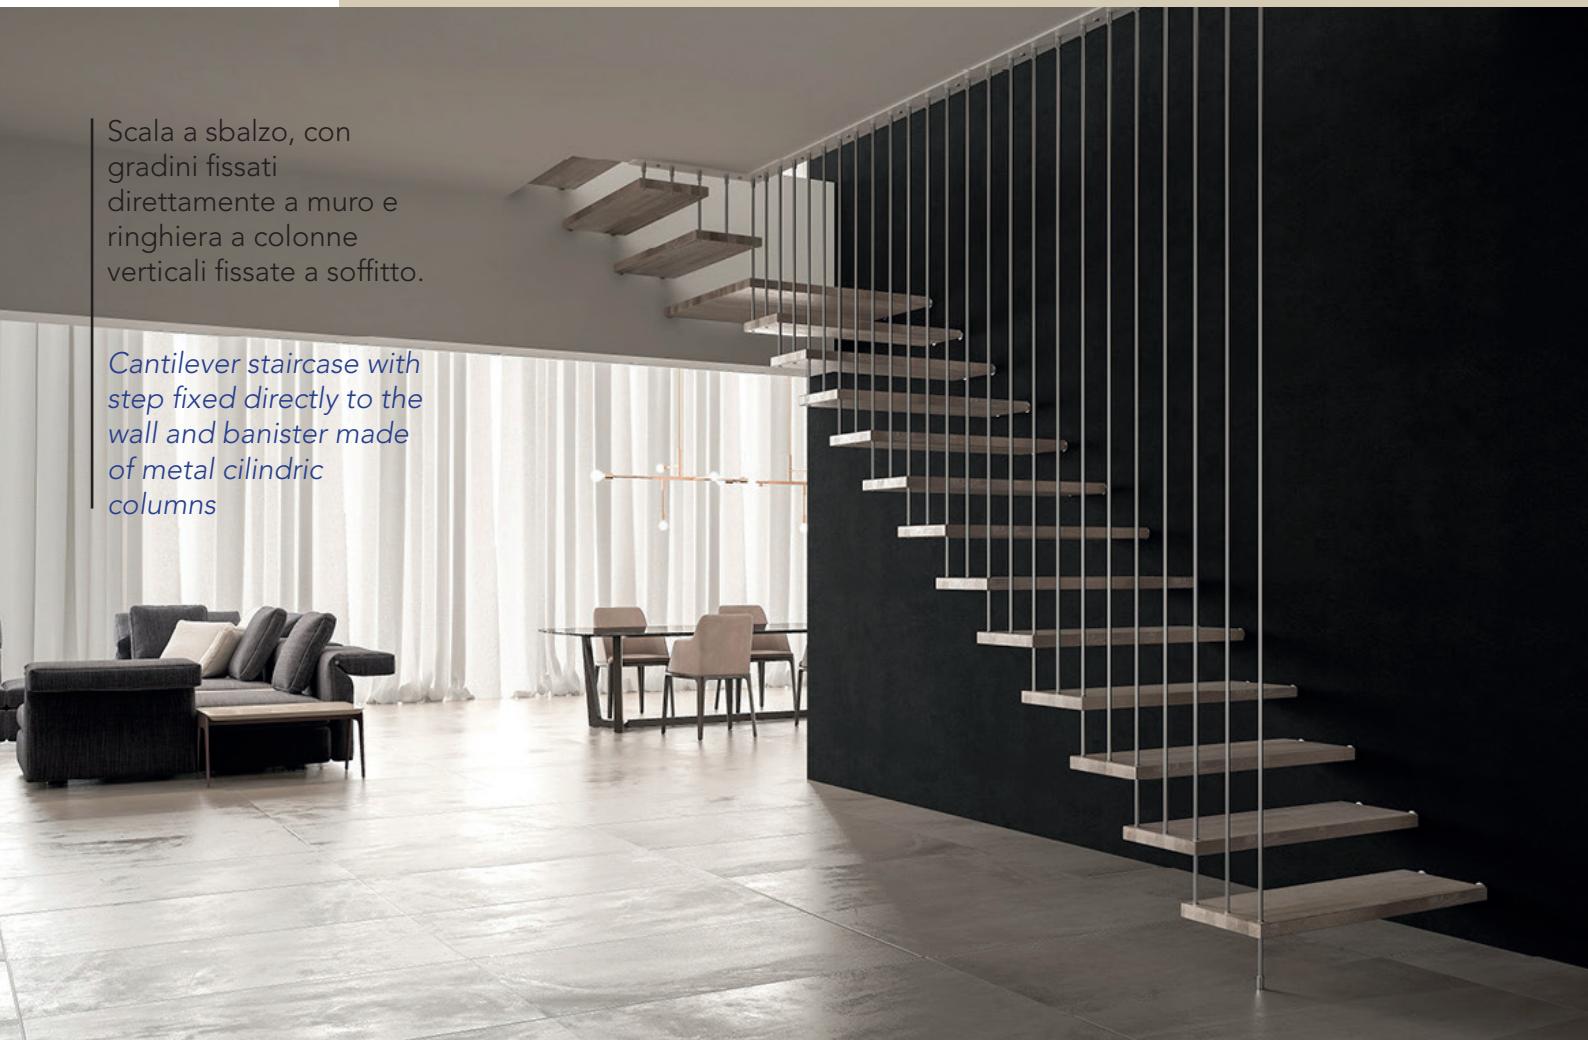

Scala a sbalzo con gradini fissati direttamente a muro e ringhiera in acciaio inox con sistema elicoidale

Cantilever staircase  
with steps fixed  
directly to the wall  
and inox railing;  
helical system

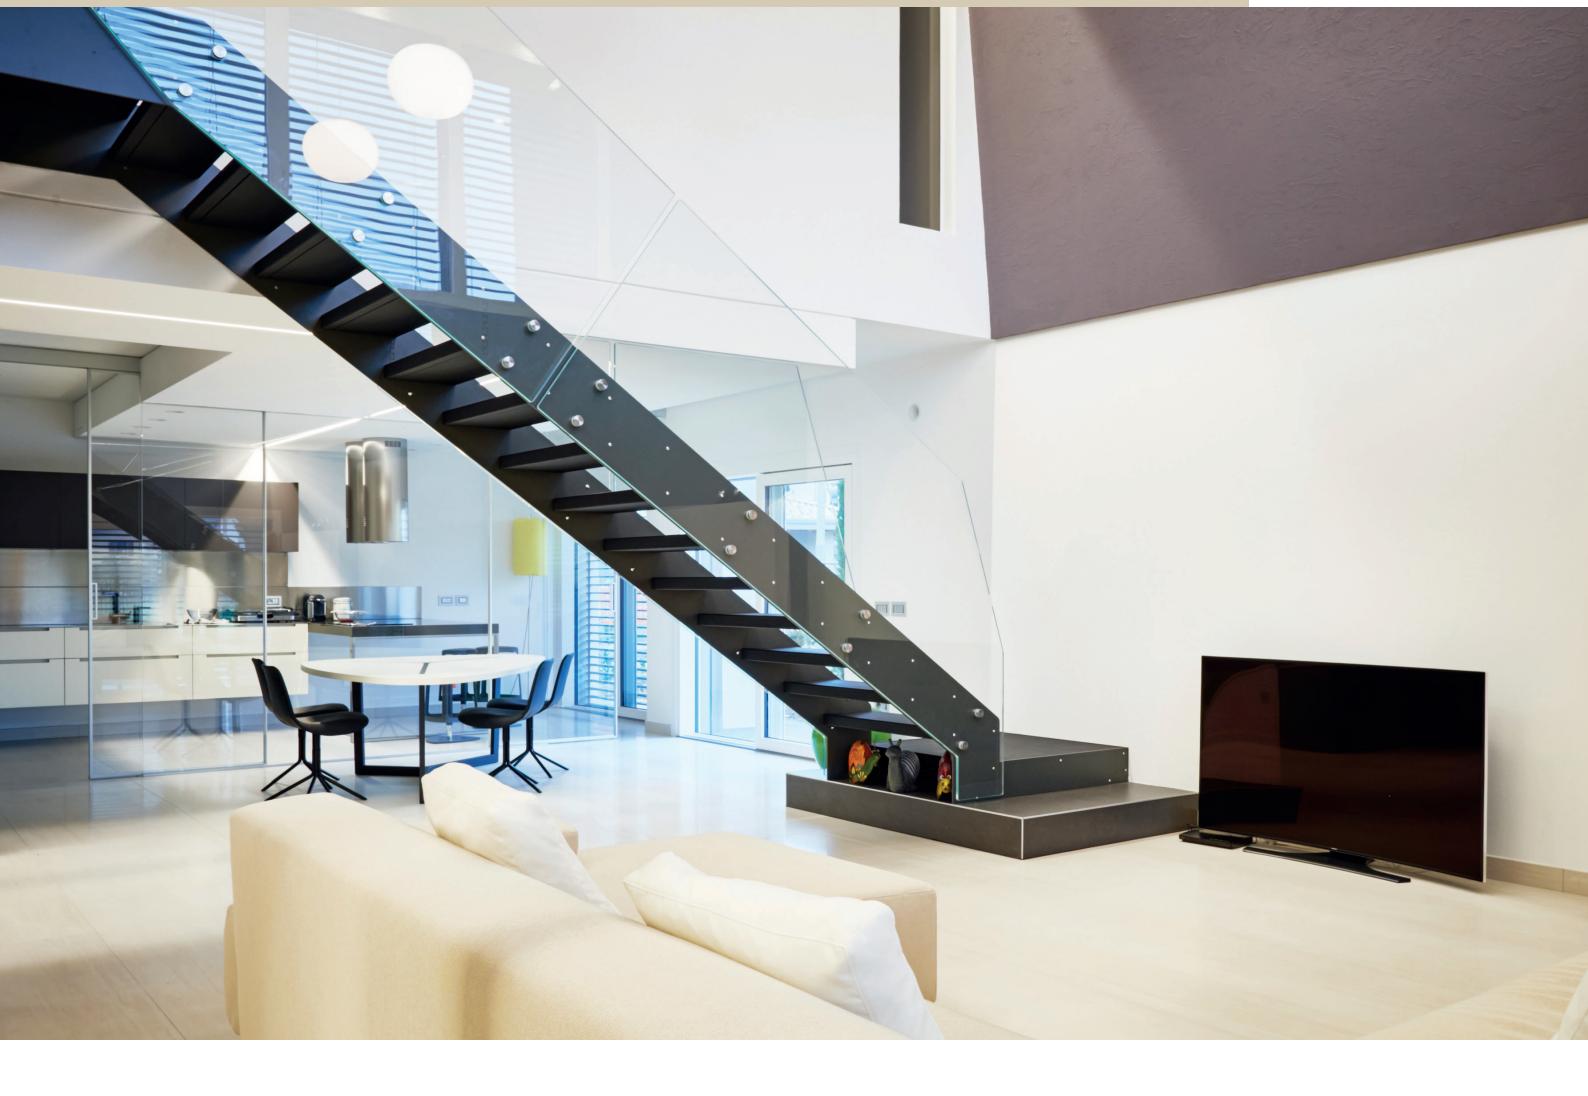

Scala a sbalzo, con gradini fissati direttamente a muro e ringhiera a colonne verticali fissate a soffitto.

*Cantilever staircase with step fixed directly to the wall and banister made of metal cylindric columns*

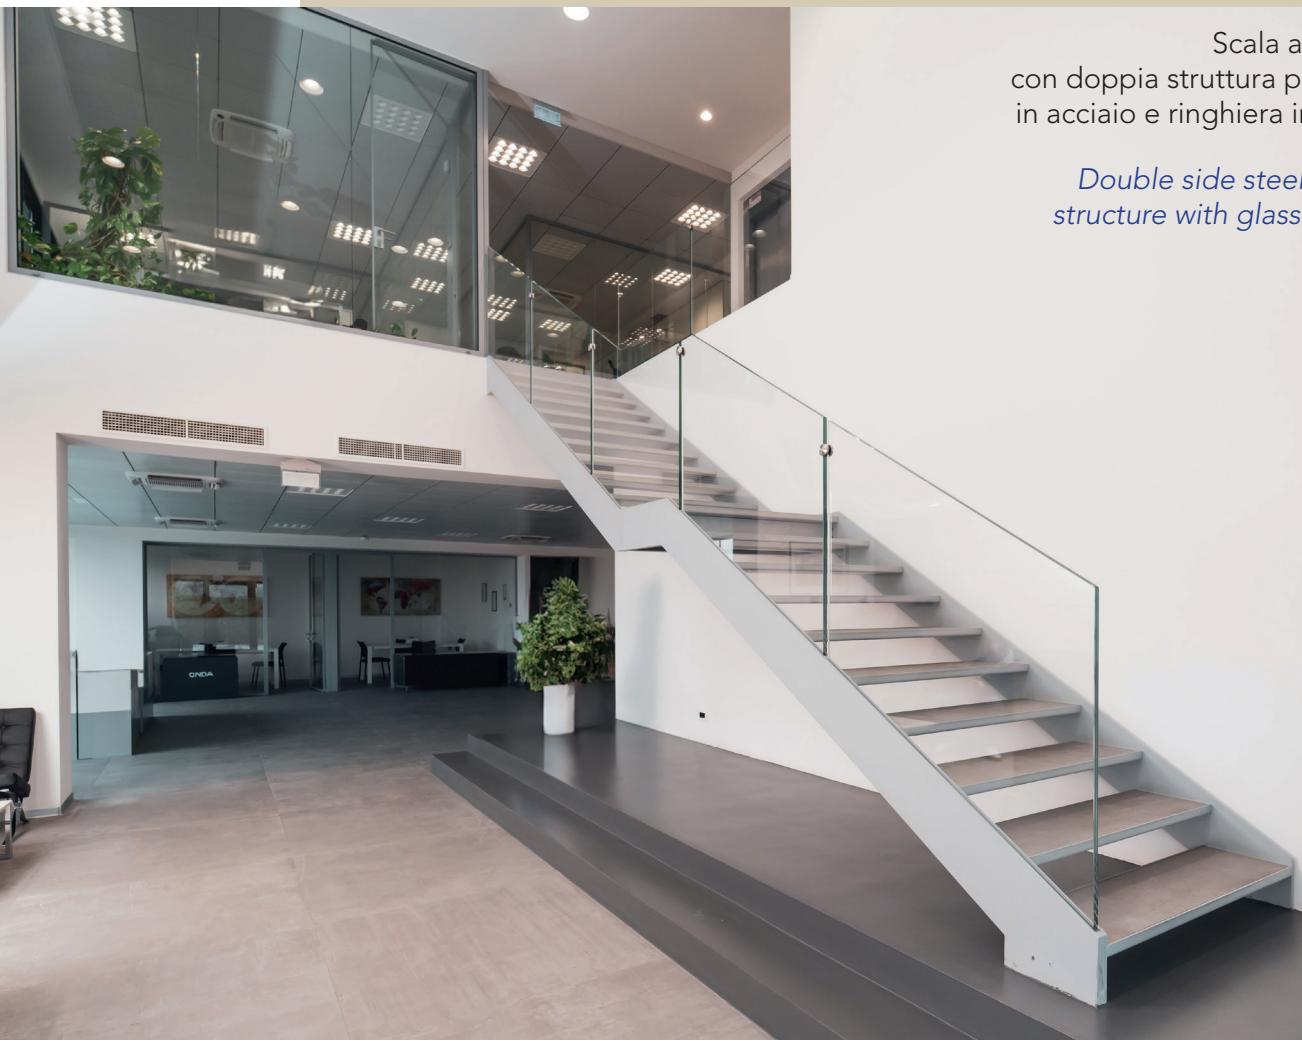

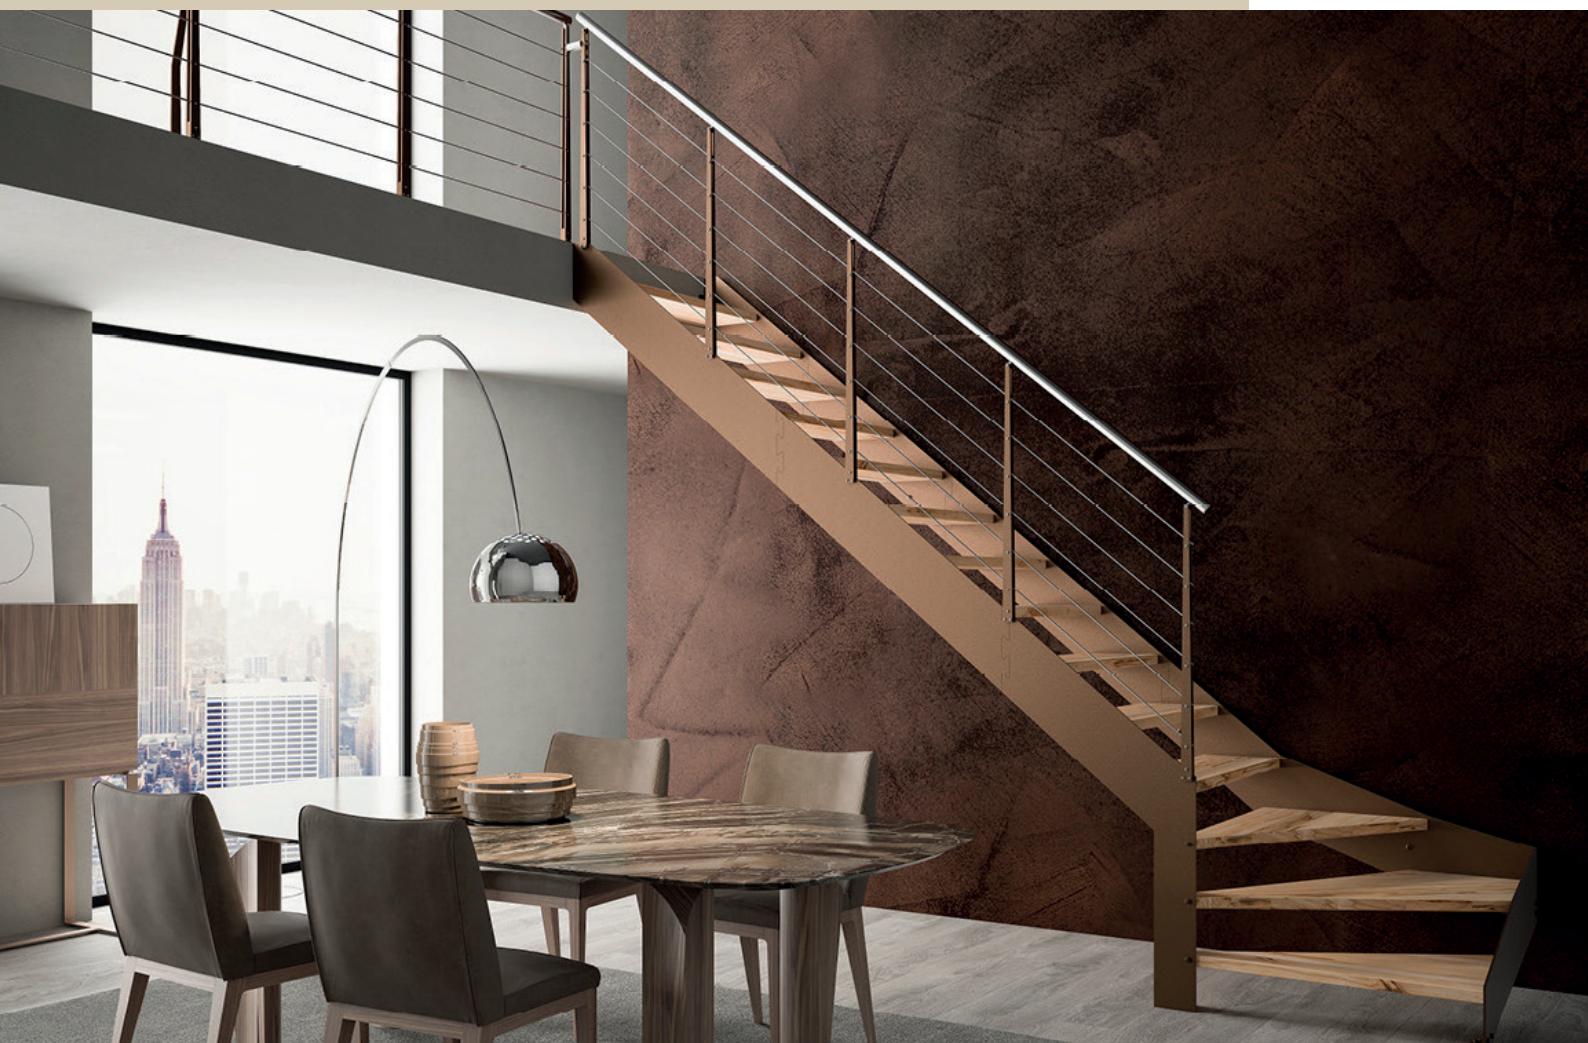

Scala a giorno  
con doppia struttura portante  
in acciaio e ringhiera in vetro.

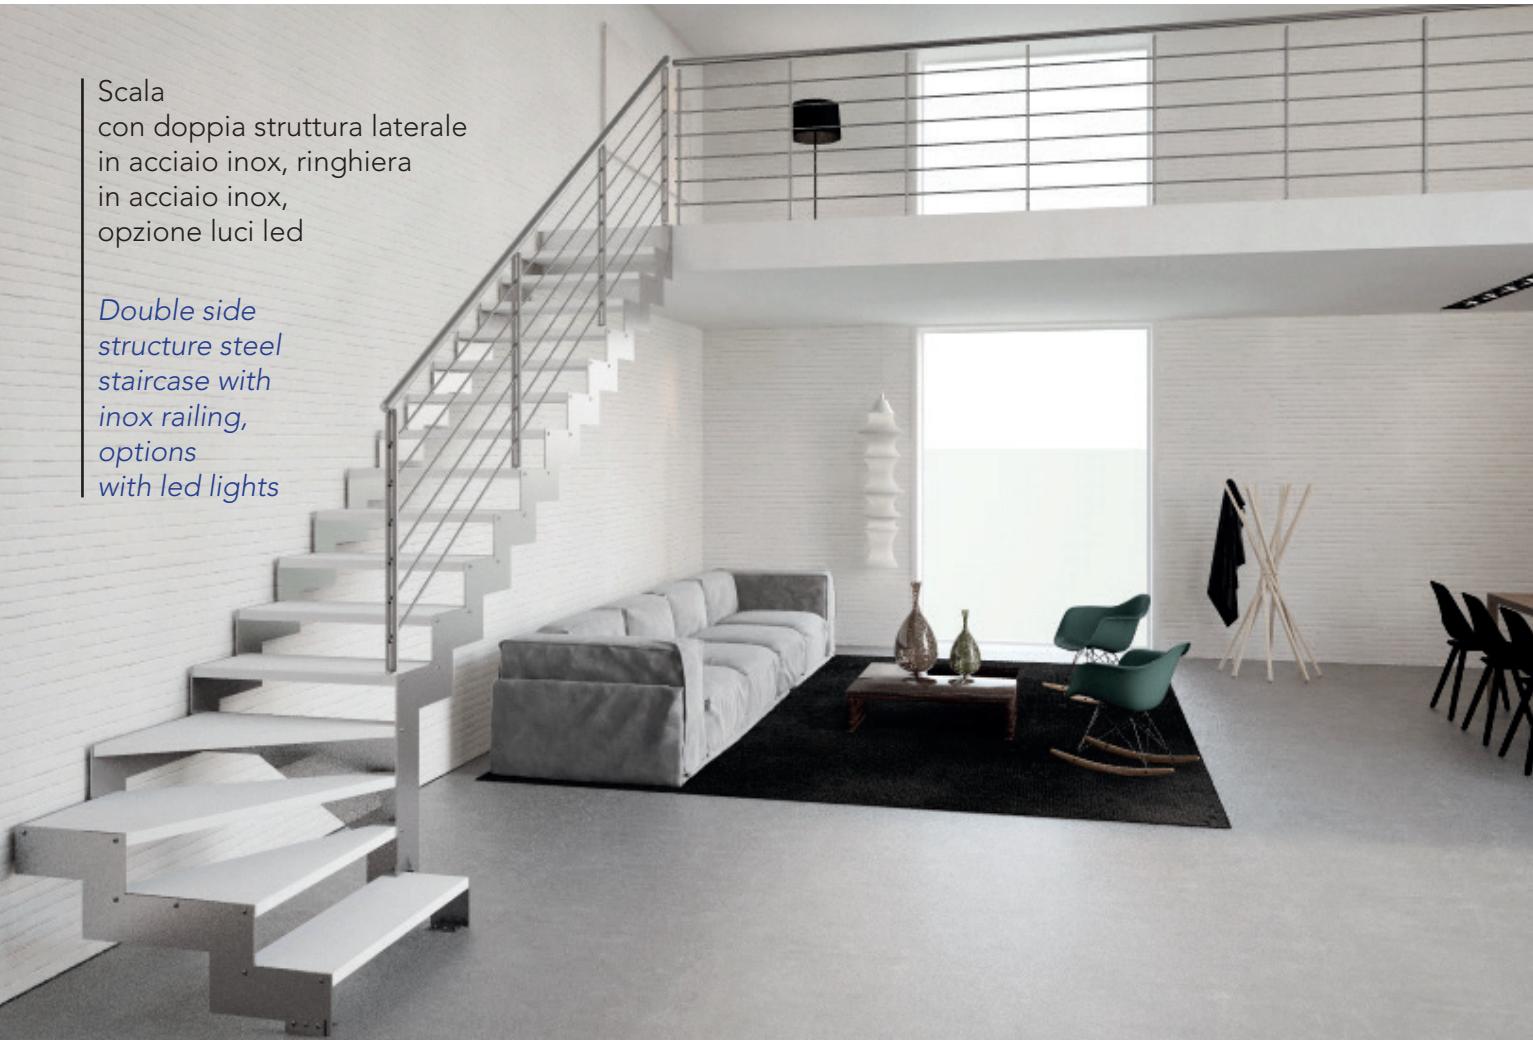

*Double side steel baring  
structure with glass railing.*

Scala  
con doppia struttura laterale  
in acciaio inox, ringhiera  
in acciaio inox,  
opzione luci led

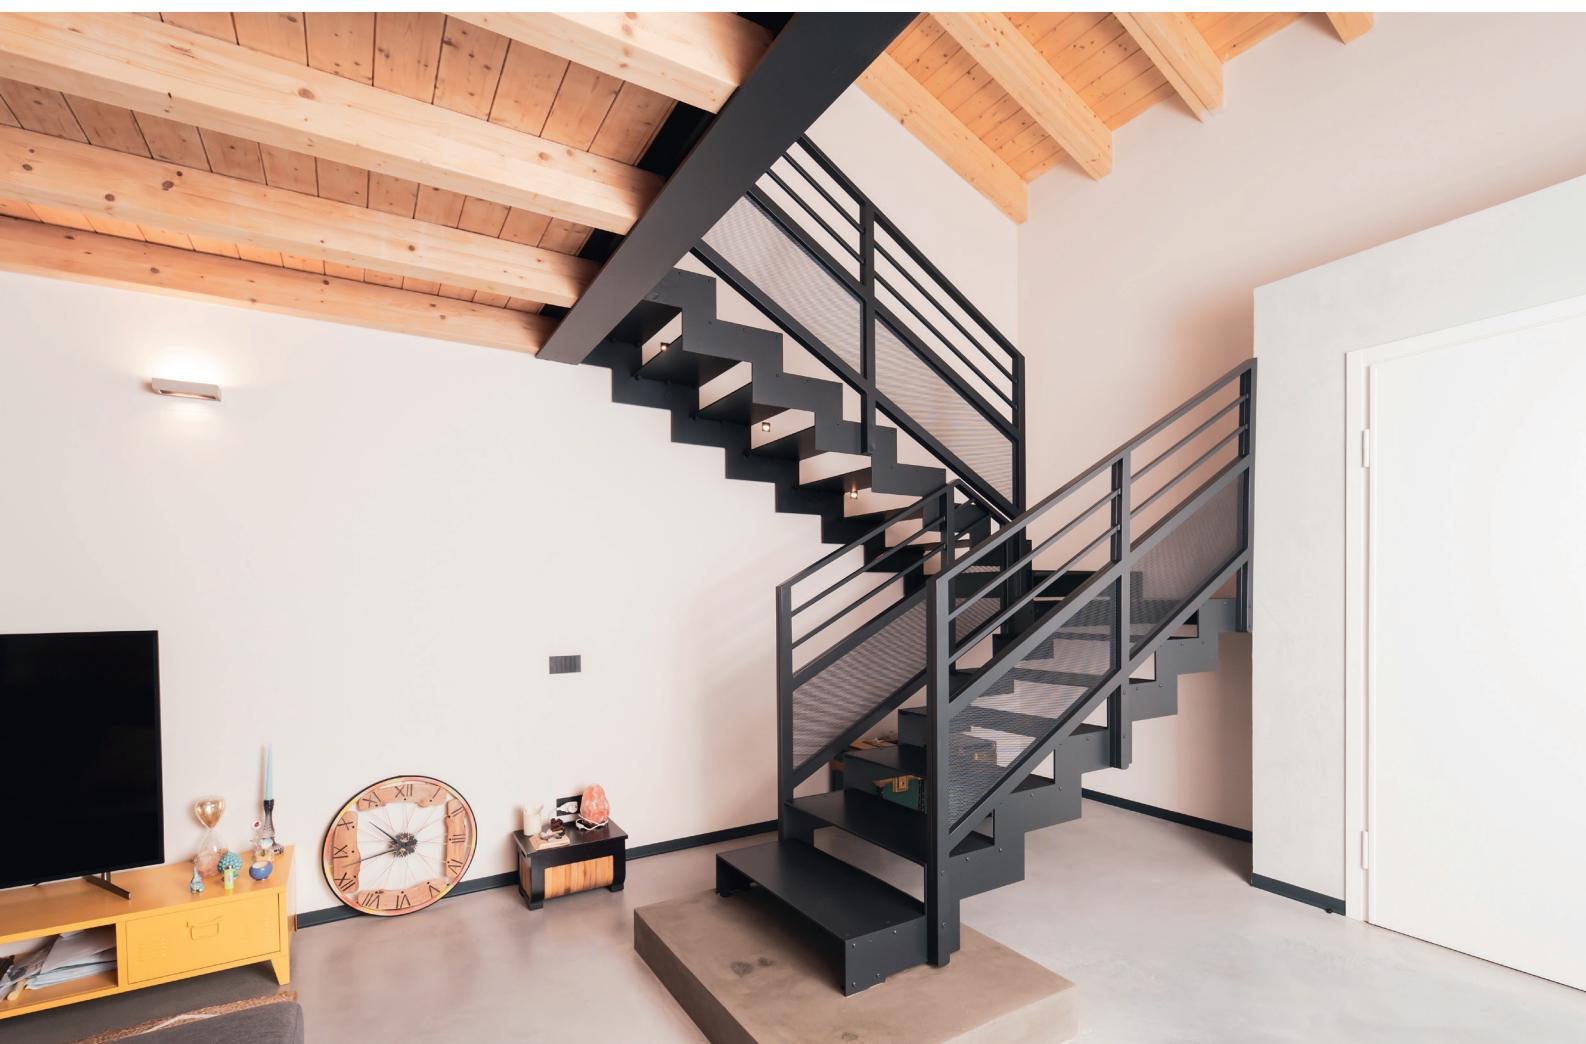

*Double side  
structure steel  
staircase with  
inox railing,  
options  
with led lights*

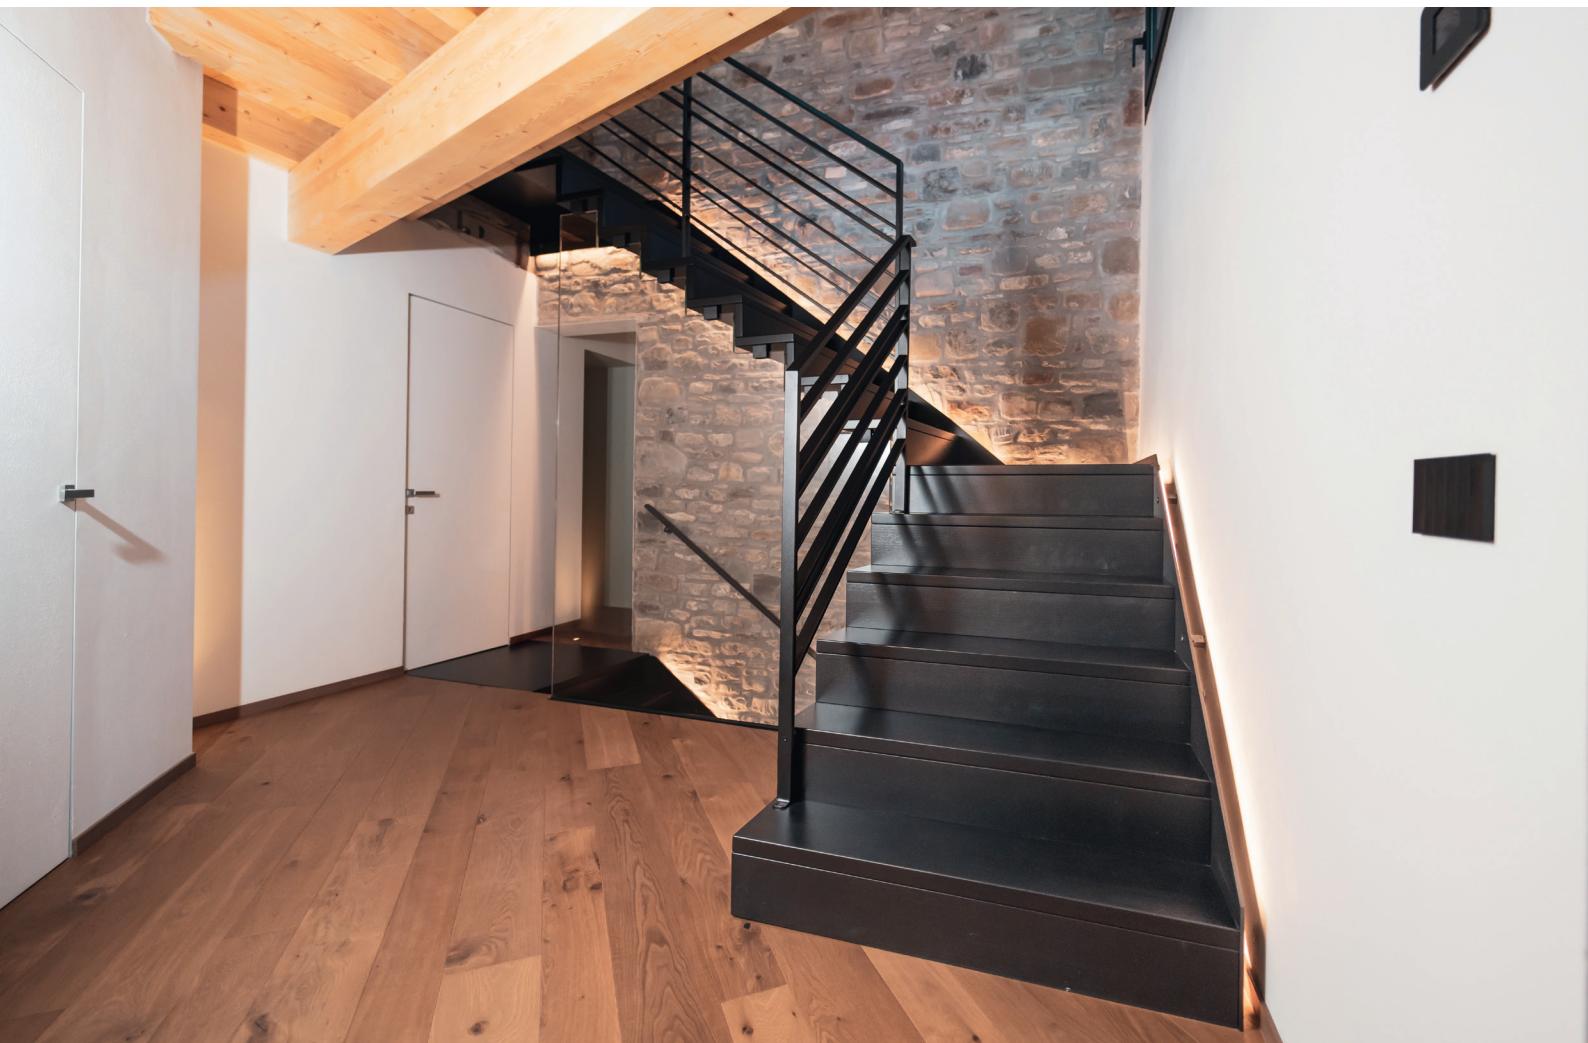

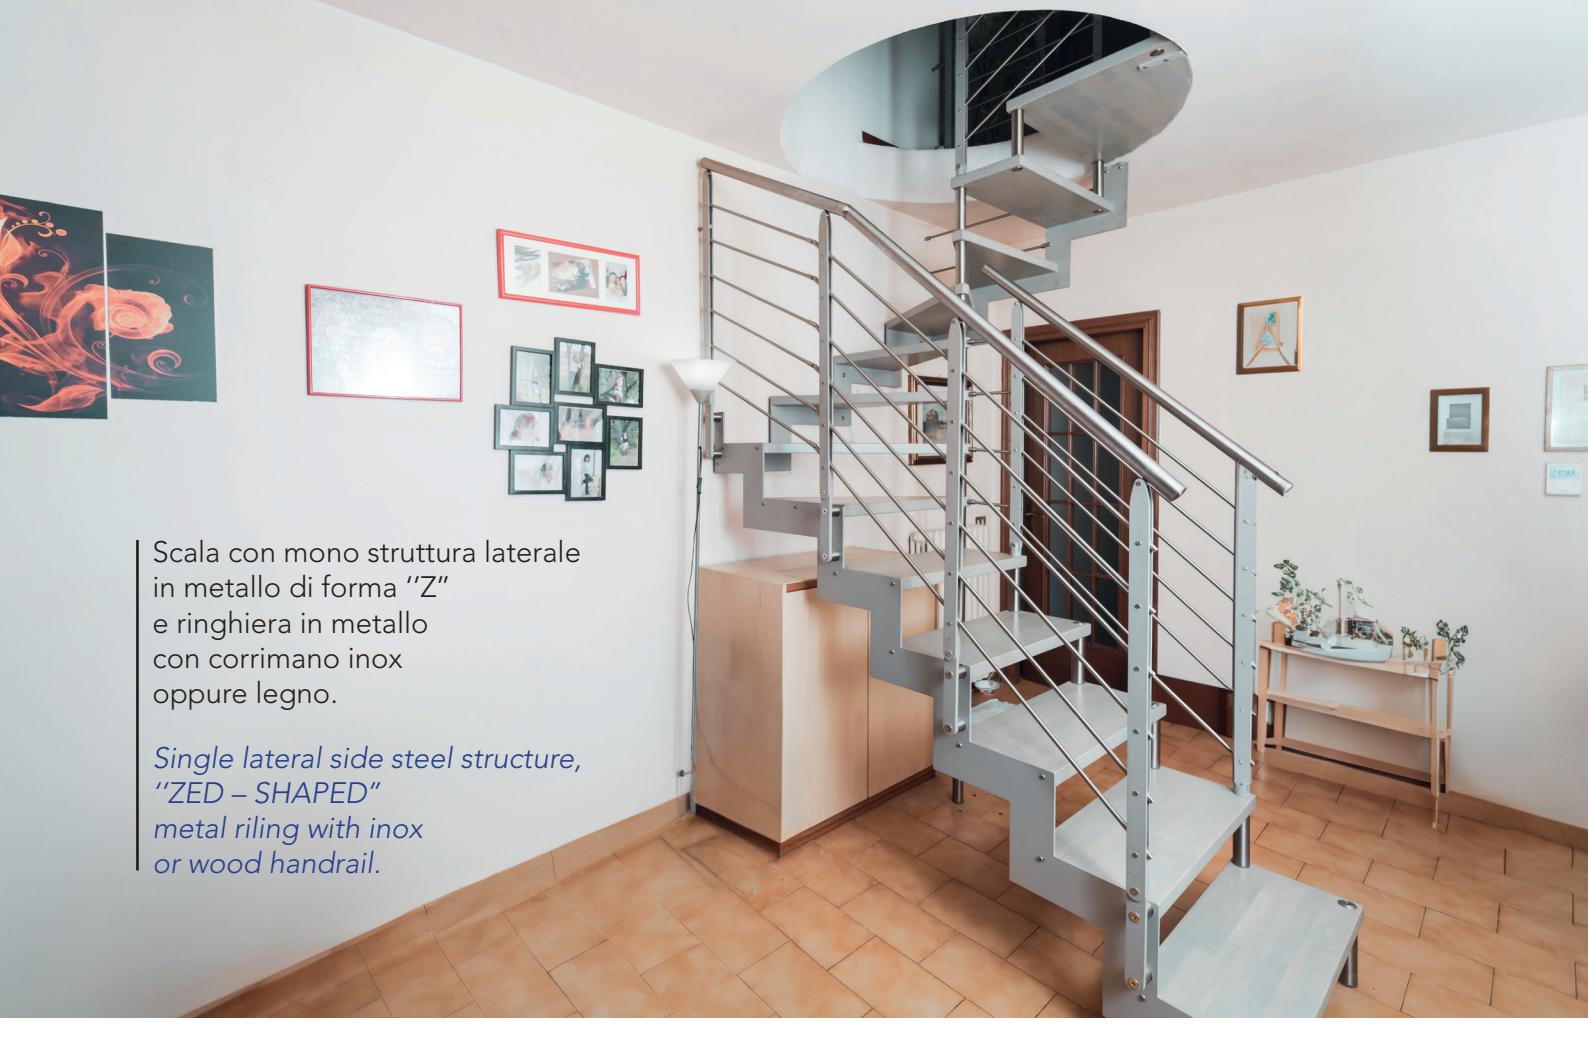

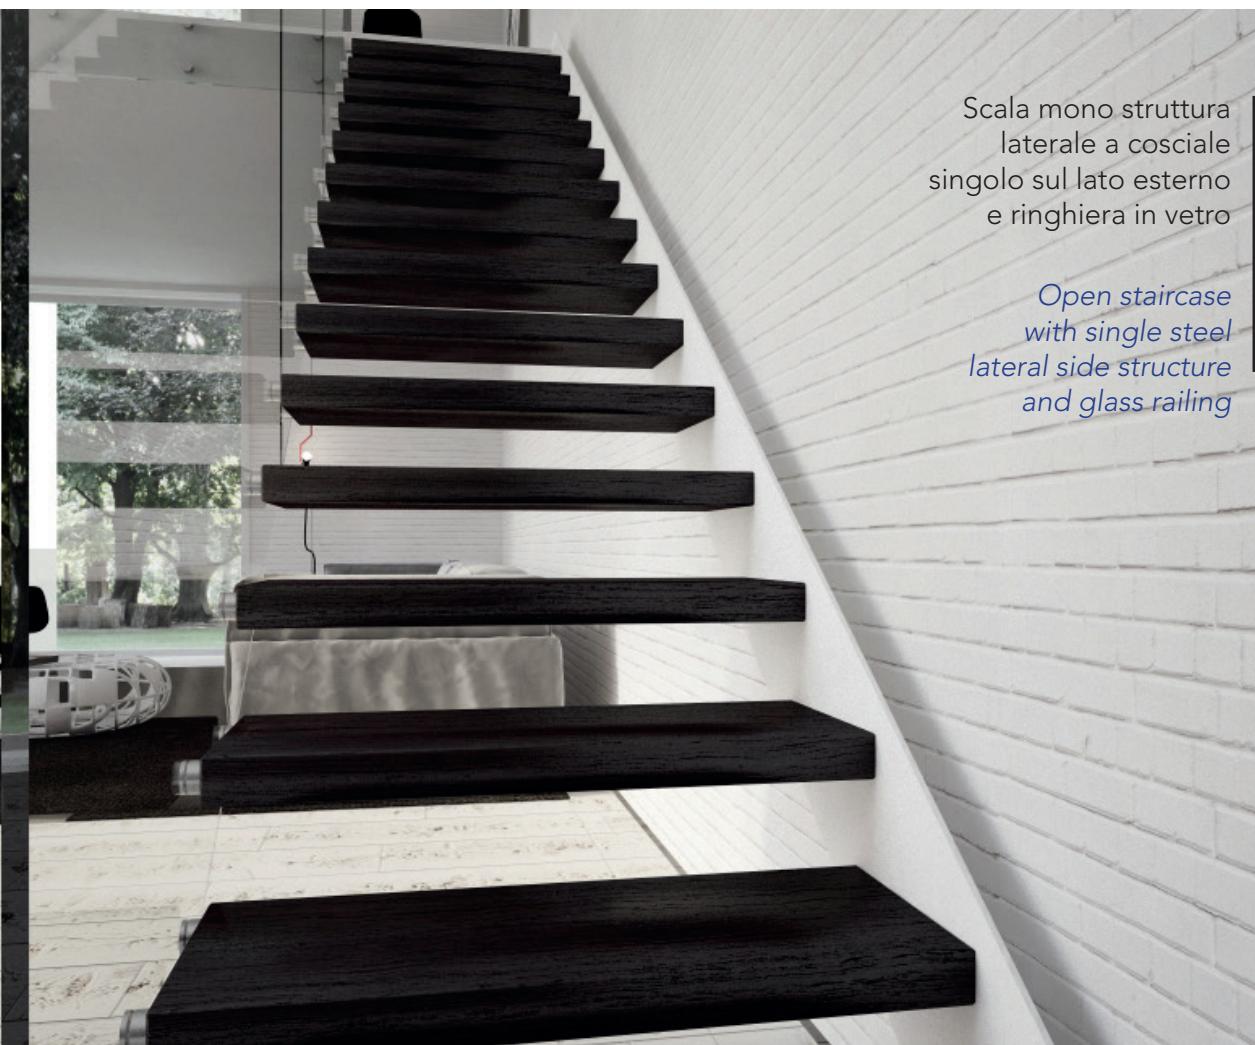

Scala con doppia struttura laterale in acciaio verniciato e gradini in acciaio verniciato.

*Double side structure steel staircase, "Zed-shaped" with metal steps and metal railing*

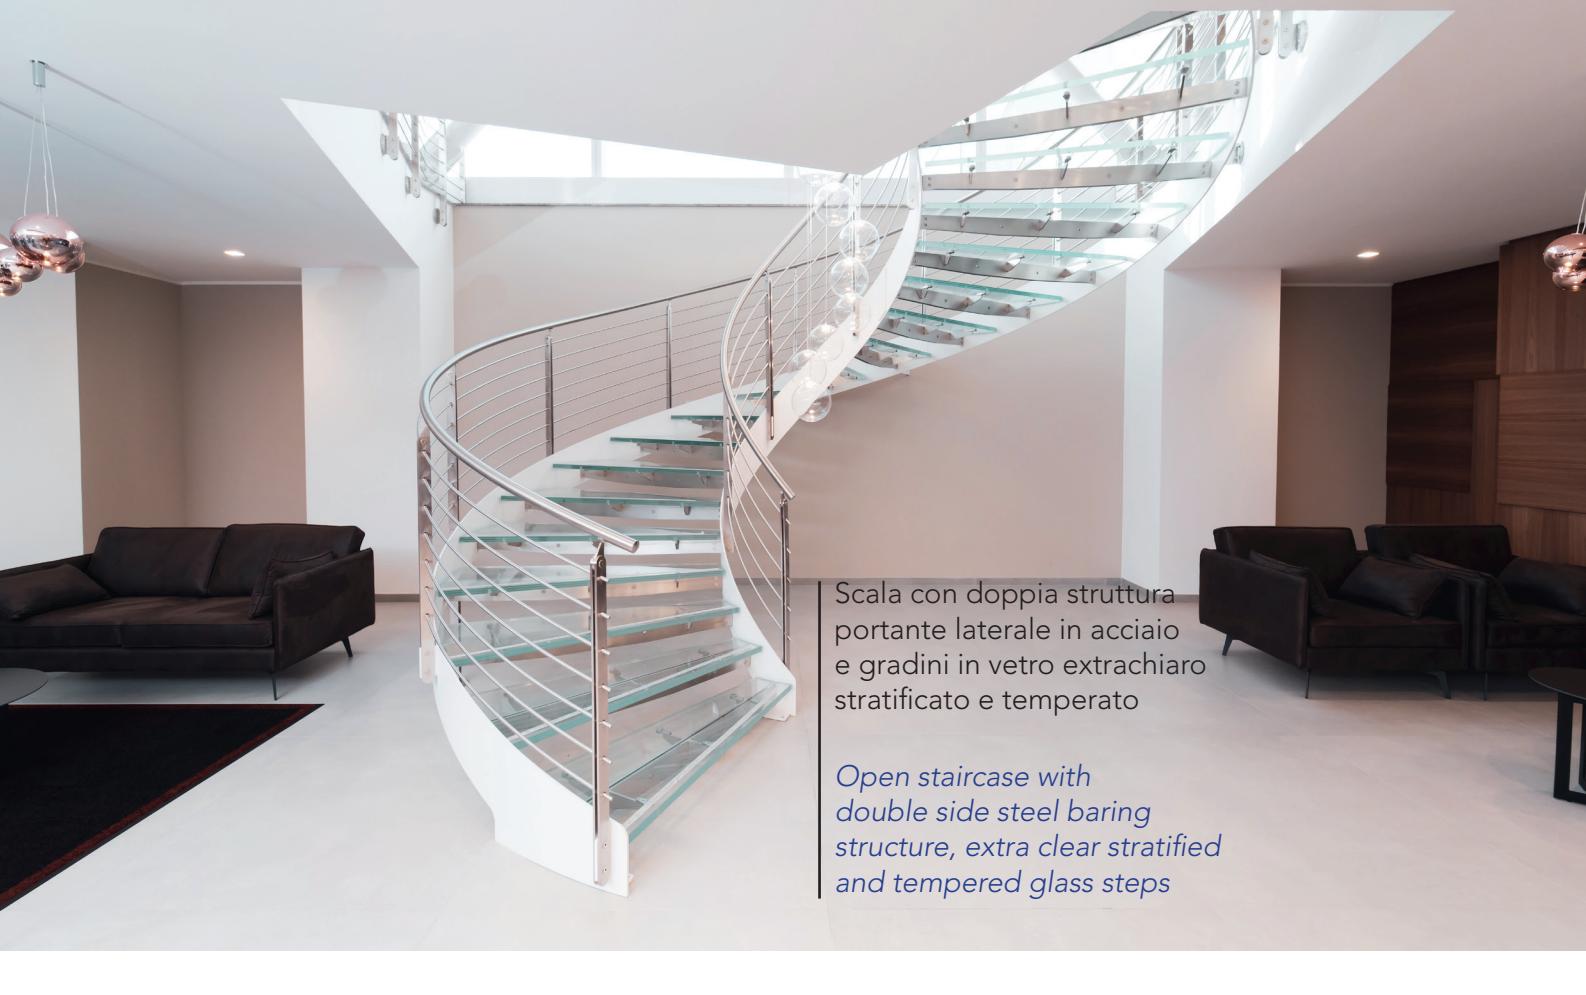

Scala mono struttura  
laterale a cosciale  
singolo sul lato esterno  
e ringhiera in vetro

*Open staircase  
with single steel  
lateral side structure  
and glass railing*

Scala con doppia struttura portante laterale in acciaio e gradini in vetro extrachiaro stratificato e temperato

*Open staircase with double side steel baring structure, extra clear stratified and tempered glass steps*

Scala con doppia struttura portante laterale in acciaio e gradini in vetro extrachiaro stratificato e temperato

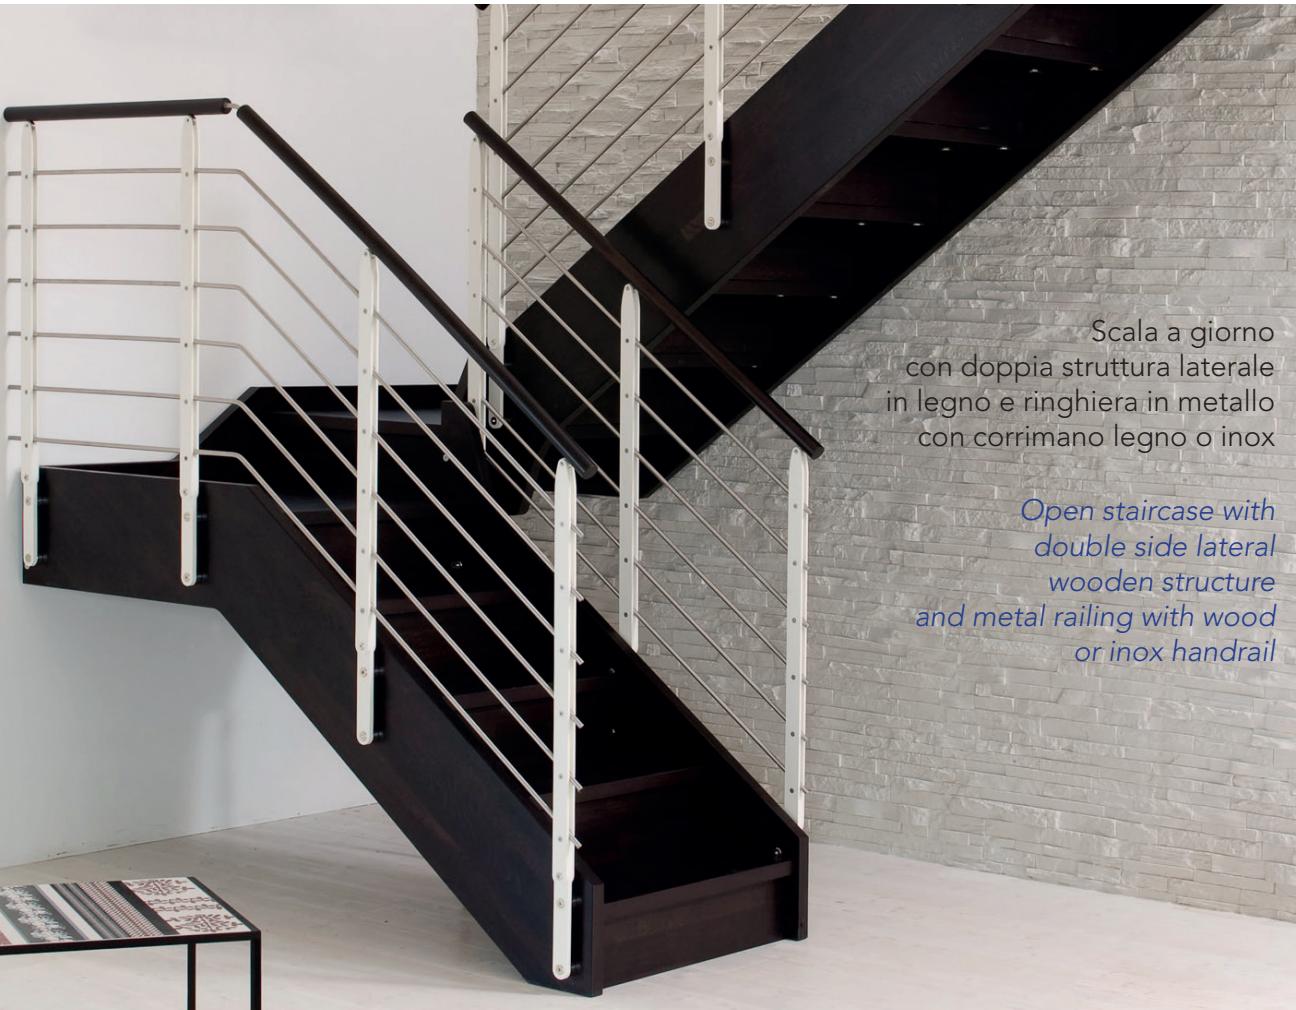

*Open staircase with double side steel baring structure, extra clear stratified and tempered glass steps*

Scala  
con doppia struttura  
portante laterale  
in legno, ringhiera  
in vetro

*Open staircase  
with wooden double  
side lateral bearing  
structure and  
glass railing*

Scala a giorno  
con mono struttura  
laterale portante  
in legno,  
ringhiera in metallo

*Open staircase  
with wooden  
single lateral side  
bearing structure  
and metal railing*

Scala a giorno  
con mono struttura  
laterale portante  
in legno con luci led  
e ringhiera in metallo

*Open staircase  
with wooden single lateral  
side bearing structure,  
led system lights  
and metal railing*

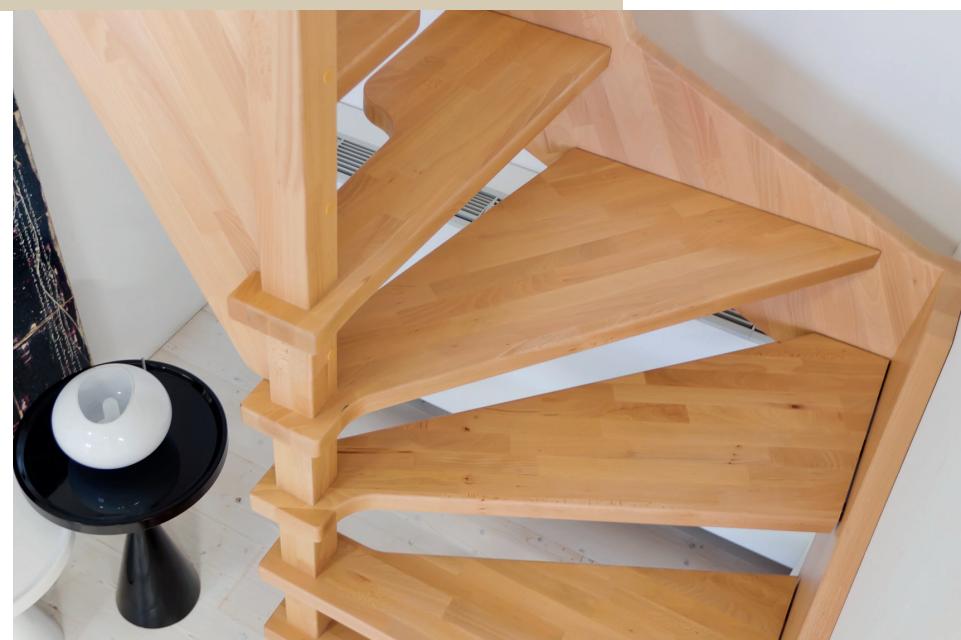

Scala a giorno mono struttura laterale portante in legno con ringhiera a colonne

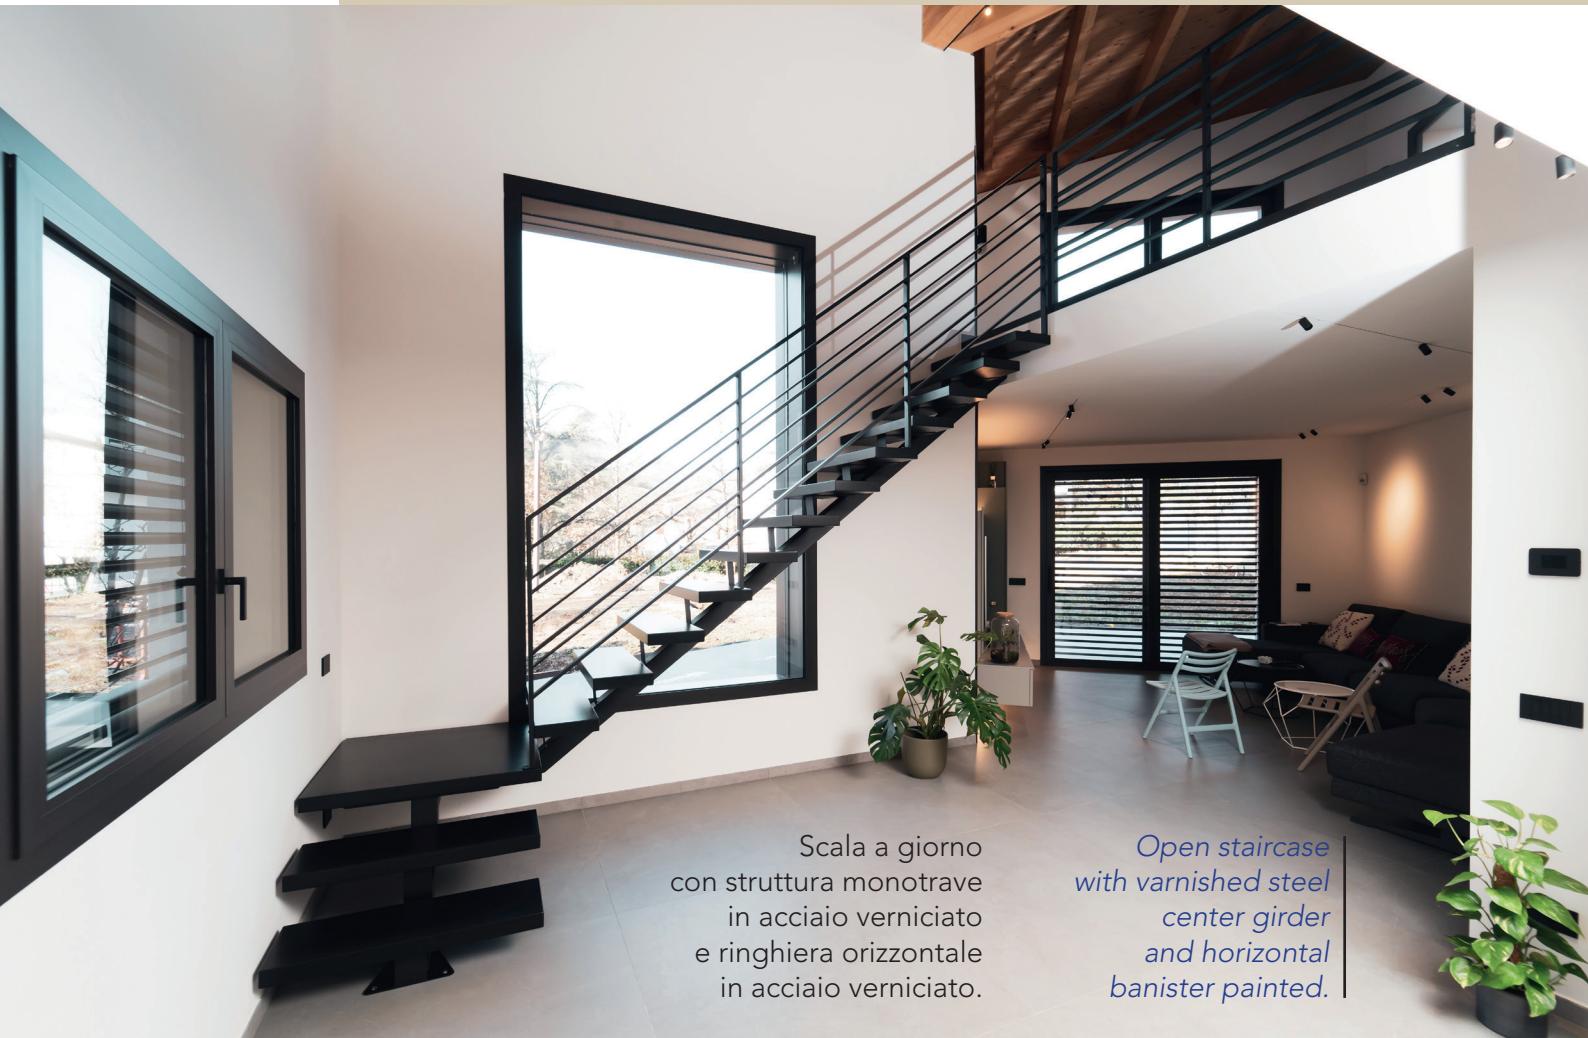

*Open staircase with wooden single lateral side bearing structure and varnished metal railing*

### **BACH MARINARA**

Scala a giorno modello Marinara con gradini sagomati e ringhiera a fasce in legno

*Open staircase Marinara with shaped steps and wooden bands railing*

Scala a giorno  
con struttura monotrave  
in acciaio verniciato  
e ringhiera orizzontale  
in acciaio verniciato.

Open staircase  
with varnished steel  
center girder  
and horizontal  
banister painted.

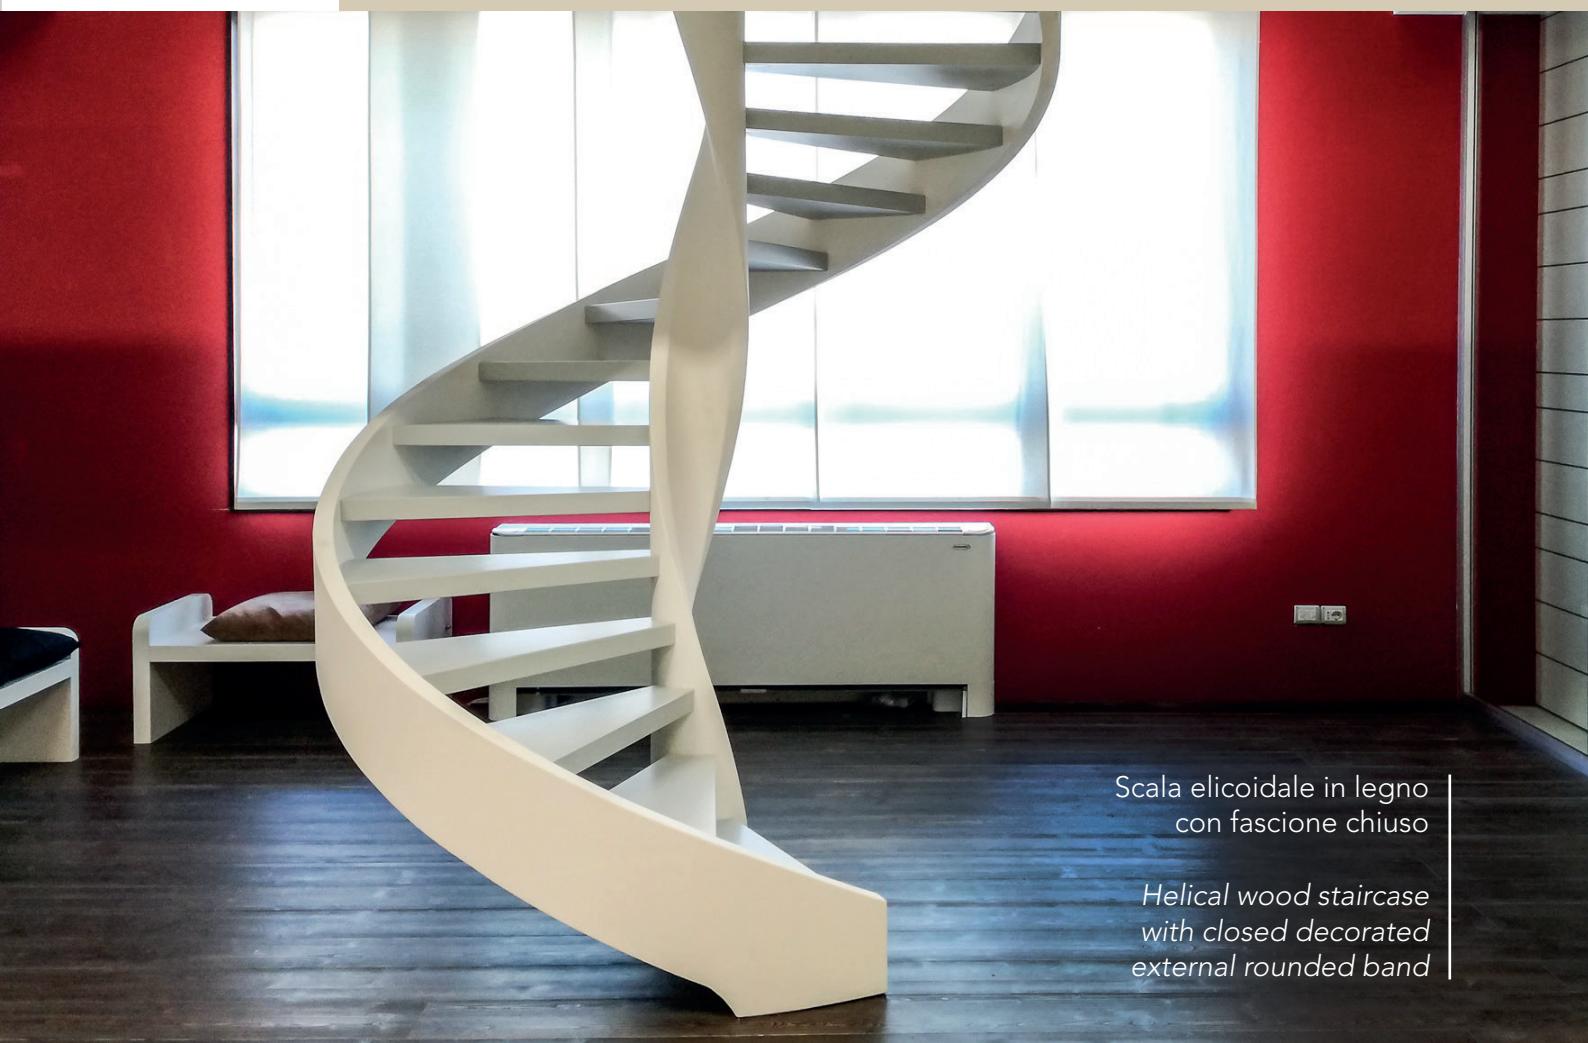

Scala a giorno con struttura  
monotrave in acciaio  
verniciato, gradini in legno,  
ringhiera formata  
da due colonne per gradino  
in metallo, corrimano in legno

Open staircase with  
varnished steel central girder,  
wooden treads, banister  
composed of two metal  
columns each tread  
and wooden handrail

A photograph of a modern spiral staircase. The stairs are made of light-colored wood or laminate, and the handrail is a light-colored wood. The staircase is set against a bright, possibly overexposed, background.

**SCALE  
A CHIOCCIOLA  
SPIRAL STAIRS**

Scala elicoidale in legno  
con fascione chiuso

*Helical wood staircase  
with closed decorated  
external rounded band*

### GIOTTO METAL

Scala elicoidale in metallo  
con fascione chiuso, gradini in legno  
e ringhiera in metallo con tondini inox

*Helical metal staircase with closed  
decorated external rounded band,  
with wooden steps and banister  
horizontal bars inox*

Scala a chiocciola  
circolare in legno,  
ringhiera a tondini,  
distanziali e corrimano  
in acciaio inox

*Wooden spiral  
staircase with  
inox railing,  
inox spacers  
and inox handrail*

Scala a chiocciola  
a pianta quadrata  
con gradini in legno,  
ringhiera a colonne verticali  
in acciaio verniciato,  
distanziali in metallo  
e corrimano in legno o inox.

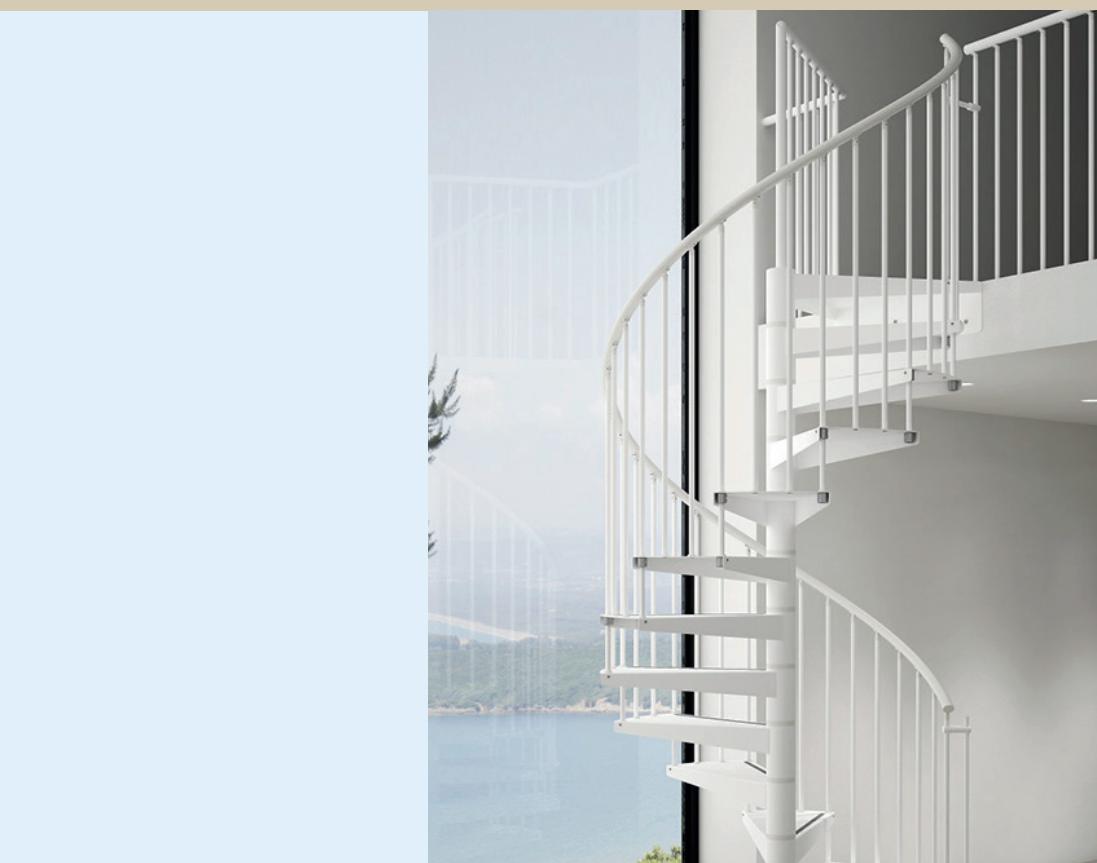

*Wooden square  
shaped spiral staircase,  
banister with vertical columns  
painted, metal spacers  
and wooden  
or inox handrail.*

### GOTTUSO F

Scala a chiocciola  
a pianta quadrata  
con gradini in legno,  
ringhiera a tondini  
in acciaio inox,  
distanziali in metallo  
o in legno e corrimano  
in legno.

*Wooden square shaped  
spiral staircase, with banister  
made of horizontal inox bars,  
metal or wood spacers rings  
and wooden handrail.*

Scala a chiocciola circolare,  
con gradini in lamiera  
piegata verniciati,  
ringhiera a colonne  
in metallo, corrimano in pvc

*Round shaped  
spiral staircase with  
bent metals sheet treads,  
metal columns, banister  
and pvc handrail*

Scala a chiocciola circolare  
in legno, ringhiera a colonne  
verticali, distanziali in metallo  
o in legno e corrimano  
in legno a settori

*Spiral staircase, banister  
composed of vertical  
columns, metal or wooden  
distance rings and wooden  
sections handrail*

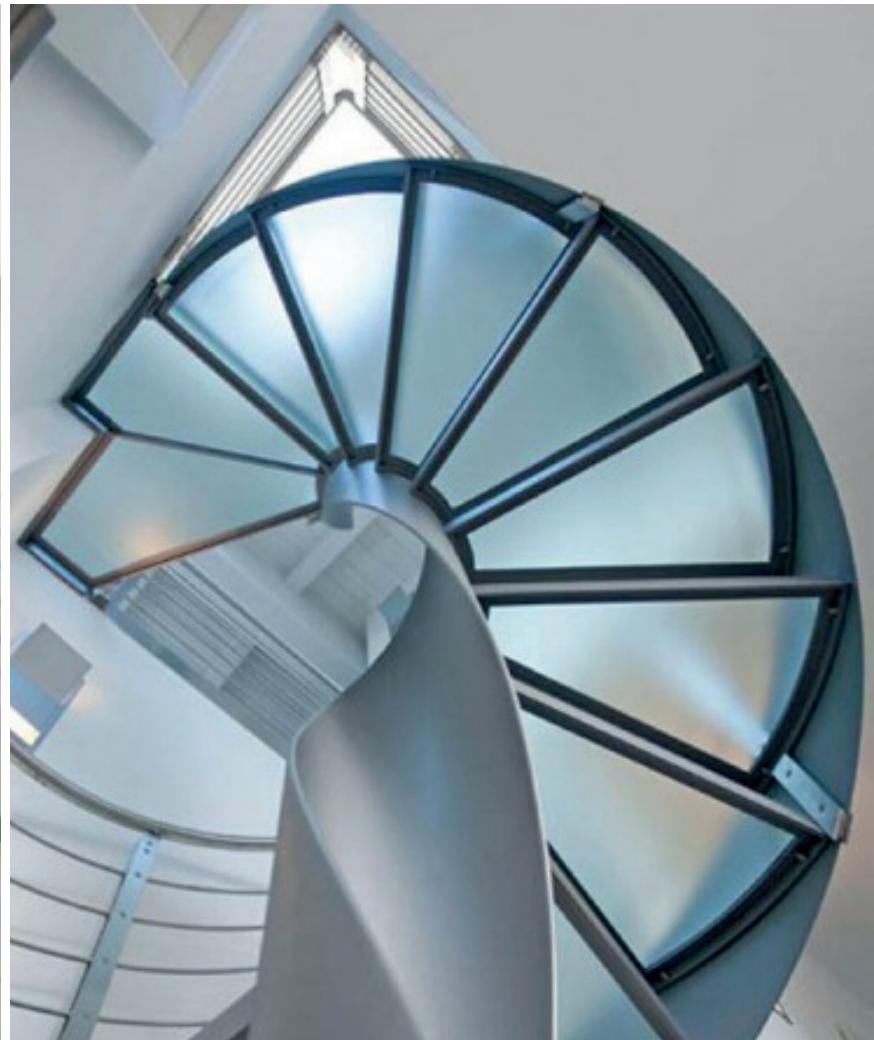

Scala a chiocciola  
circolare in legno,  
ringhiera a tondini  
in acciaio inox,  
distanziali in metallo  
o in legno e corrimano  
in legno a settori

*Wooden spiral staircase  
with inox steel railing,  
metal or wooden  
distance rings  
and wooden sections  
handrail*

Scala elicoidale in acciaio inox  
con fascione chiuso  
e gradini in vetro

*Helical inox staircase  
with closed decorated external  
rounded band and glass treads*

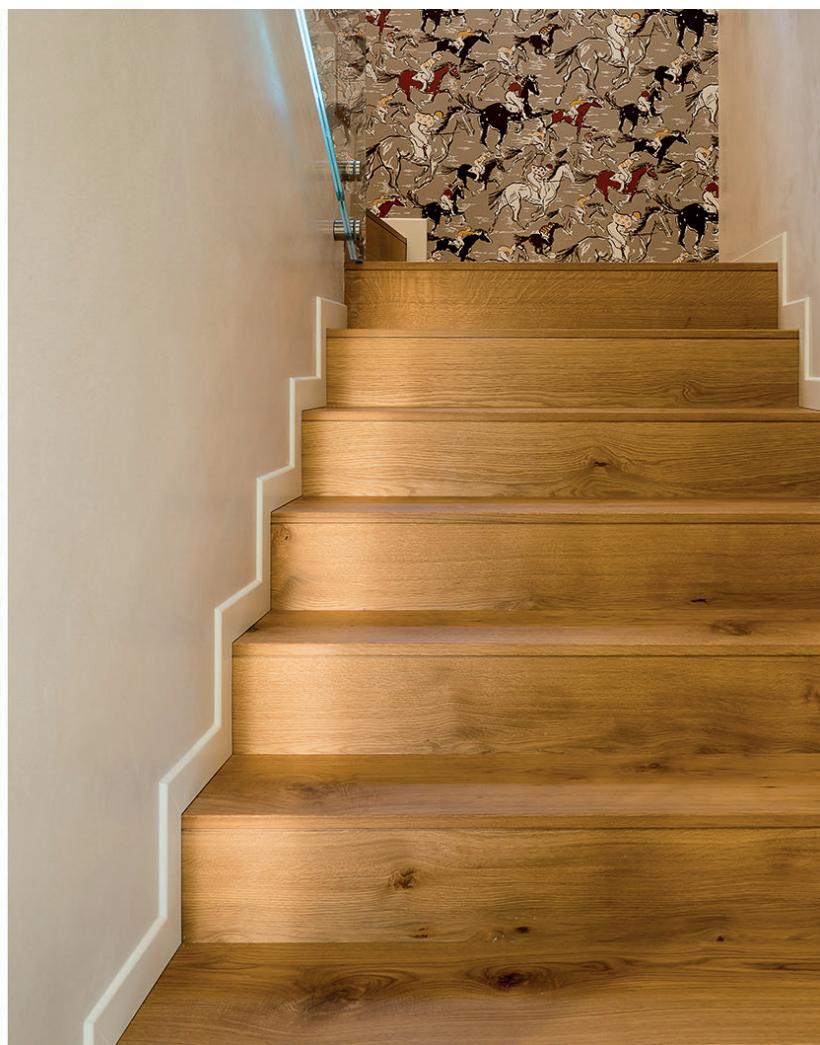

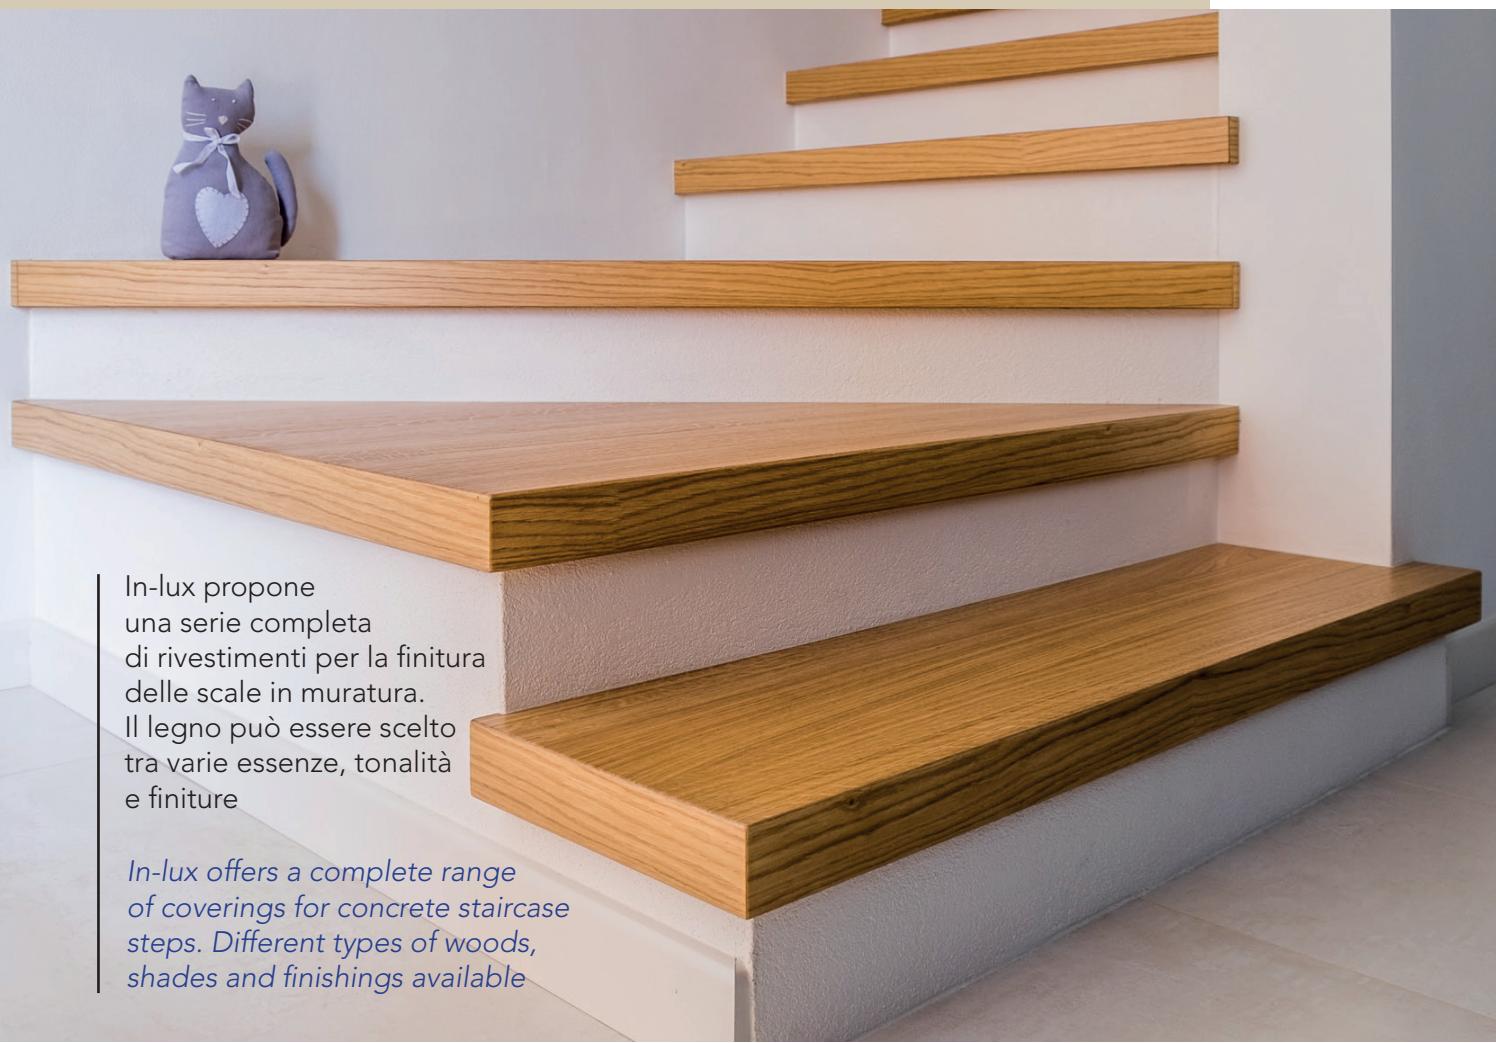

Scala con gradini in legno  
a pianta circolare,  
con palo centrale  
elicoidale in legno,  
ringhiera formata  
da fascione  
a sostegno gradini

*Helical spiral  
staircase with wooden  
treads, spiral central  
pole in varnished  
wood, banister  
composed by curved  
wooden treads  
supporting girder*

Ringhiera in acciaio inox  
Inox railing

Fili intrecciati in metallo  
Railing Twisted metal wires

Ringhiera in vetro extra chiaro stratificato e temperato  
Glass railing extra clear stratified and tempered

Ringhiera in acciaio inox  
Inox railing

Ringhiera in legno con colonne in metallo  
Wood railing with metal columns

Ringhiera orizzontale in metallo  
Horizontal metal railing

Ringhiera con rete metallica e barre orizzontali  
Railing with wire mesh and horizontal bars

Ringhiera in vetro extrachiaro stratificato e temperato  
Glass railing extra clear stratified and tempered
